Good Morning/Afternoon

Good morning, good morning
I'm glad you came today
We'll sing some songs and have some fun
And then be on our way

Good afternoon, good afternoon
I'm glad you came today
We sang some songs and had some fun
And now we're on our way

Big Black Train

Big black train, big black train
Going up the mountain
Big black train, big black train
Take me home again

Engine Number Nine

Engine, engine number nine
Going down the railway line
If the train falls off the track
Will I get my money back?

This is a Face

This is a face and I'm drawing the eyes
A nose in the middle, an ear on each side
A mouth with a smile and the hair you can see
The face smiles at you
Just like you smile at me

Hello, How Are You?

Hello, how are you? Hello, how are you?
Hello, how are you? How are you today?
It's good to see _____ here
It's good to see _____ here
It's good to see everyone here
How are you today?

What Shall We Do?

What shall we do when we all go out
All go out, all go out?
What shall we do when we all go out
When we all go out to play?

We'll wear a hat when we all go out...
We'll wash our hands when we all go out...
We'll put on shoes when we all go out...

Tiny Stars

Lots of little tiny stars
Move through outer space
Twinkle, twinkle, twinkle - freeze!
Stop in that space

Come and Walk

Come and walk around with me
Come and walk, come and walk
Come and walk around with me

hush little baby

Chop Chop Chippety Chop

Chop chop chippety chop
Chop off the bottom and chop off the top
What you have left you put in the pot
Chop chop chippety chop

Walk and Stop

Oh well you walk and you walk
And you walk and stop!

Shake Our Sillies Out

We're gonna shake, shake
Shake our sillies out,
Shake, shake, shake our sillies out
Sake, shake, shake our sillies out
Wibble our wobbles away

Shake them high, shake them low
Shake them fast and shake them slow
We're gonna shake, shake
Shake our sillies out...

And stop! Go! And Stop! Go!
We're gonna shake, shake
Shake our sillies out...

We're gonna pack away our instruments,
Pack away our instruments,
Pack away our instruments,
Wibble our wobbles away

The Mulberry Bush

Here we go 'round the mulberry bush
The mulberry bush, he mulberry bush
Here we go 'round the mulberry bush
On a cold and frosty morning

This is the way we wash our hands...
This is the way we serve our food...
This is the way we wash our plates...

A Place for Everything

Everything has a place, a place for everything
The blocks go on shelf
The crayons in the tub
The gumnuts in the wooden bowl
The playsilks in the basket
Everything has a place, a place for everything

Twinkle Twinkle

Twinkle twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle twinkle little star
How I wonder what you are

When the blazing sun is gone
When he nothing shines upon
Then you show your little light
Twinkle, twinkle through the night
Twinkle twinkle little star
How I wonder what you are
